Product Description

These jackets are manufactured to equip all commercial vessels. They fully comply with the requirements of the regulations (IMO Regulations), which are mandatory for all lifejackets used on-board Community ships. They are supplied in adult and child sizes. The adult lifejacket is appropriate for passengers with chest size up to 175cm, oversized passengers, while they are provided with a lifting loop and orange buddy line for easier rescue. It is also recommended to combine the lifejacket with the compatible Lalizas Lifejacket Light.
