Product Description

Ocean 100N Lifejacket is a lifejacket designed to aid the wearer to turn onto the safe back position and support the head so that the airways are above the water. A lifejacket for children and juniors with integrated CE approved safety harness with a stainless steel D-ring front and back for lifeline attachment. Size 3-15 kg has D-ring only at the back. Fitted with whistle, retro-reflective patches and crutch strap. The smallest size is equipped with grab handle behind the collar, beaver tail crutch strap and twin fastening points for the best possible fit. This therefore makes it the obvious choice for all non-swimmers. The collar of the vest has nothing to do with the actual turning but helps to support the head so that the airways are above the water. Size: Baby: 3 - 15 Kg / Up to 50 cm - 43N Child: 15 - 30Kg / 46 to 69 cm - 55N Junior: 40 - 50 Kg / 67 to 87 cm - 80N

- Integrated safety harness with D-ring for attaching a lifeline.
 - Robust and durable model.
